Citizenship	
Email address *	

* It is of utmost importance that the entered e-mail address is correct and that we will be reliably and permanently able to contact you during the next months. Otherwise we might not be able to inform you on the current status on your application. Under this e-mail address you will in the future receive information concerning the status of your application process.

Study Programme	
------------------------	--

If there is a conversion factor from the Credit Points of your previous study course into ECTS please provide the official conversion factor (e.g. website of the university)!

What is your final grade or provisional grade* of your previous study programme?**

(use decimal dot, e.g. 2.4)

***Should at time of application no final certificate be available, an interim certificate must be provided in which grade of at least 80 % of all study and examination achievements are entered. In case you will be admitted to this study programme you have to submit your final certificate afterwards for enrolment at the Registration and Examination Office (SPV).

Should your certificate/transcript of record show no final overall grade your university has to certify/ provide an additional document, which displays your final overall grade.

For the evaluation of your grade, information on your grading system is required: What is the highest achievable grade? What is the minimum passing grade?

If your transcript does not indicate this, please provide further evidence for it, e.g. by an additional document or by a link to an official website (paste to "comments" on page 2).

Language skills

For a successful study of the Master programme in Industrial Pharmacy good language skills in English are required. All applicants must provide evidence of sufficient command in English. The complete English test should not be less than the level of an IELTS-test level 6.0 or TOEFL-test paper 500, computer 200, iBT 80. Native Speakers as well as applicants with a German "Abitur" do not have to provide further evidence of their language skills.
