## Module MIP-O05 „Pharmaceutical Biotechnology“ Winter Term 2024-2025

**General introduction to, and information about, the module MIP-O05:**

**Tuesday, 08.10.2024**      **12:30 - 13:15 h**      **Building 26.32 Room U1.21**

The practical course will be limited to 12 participants due to restricted BSL2 laboratory space. In case there will be more than 12 people interested in taking this module, there will be a lottery to assign seats on **Friday, 11.10.2024**. Details on how to register for the lottery will be given during this introduction.

The accompanying **lecture** will take place as follows:

**Tuesdays:**    **12:30 - 13:15 h**      **Building 26.32 Room U1.21**

**Start of lectures:** **Tuesday, 15.10.2024**

The **practical course** will take place in the lecture-free time from **17.02.2025 – 28.02.2025** (09:00 – ca. 15:30 h daily).

The **seminar** will be integrated into the practical course.

Individual **oral exams** can be arranged for from **04.03.2025 - 28.03.2025**.

Düsseldorf, 23.08.2024
