

Biography **Thomas Kurz**

1.) General Information

| | |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Name | Kurz |
| First Name | Thomas |
| Academic Degree | Dr. rer. nat. |
| Date of Birth | 8 th of February 1967 |
| Gender | male |
| Institution | Heinrich Heine University Düsseldorf |
| Institute | Institute of Pharmaceutical and Medicinal Chemistry Universitätsstr. 1, Building 26.23.02, room 23 40225 Düsseldorf, Germany |
| Phone | +49 (0)211 81-14984 |
| E-mail | Thomas.Kurz@hhu.de |
| Current position | Professor (W2), permanent |
| Children (number / age) | 0 |

2.) Academic education including degrees

| | |
|--------------------|--------------------------------------------------|
| Subject of studies | Pharmacy (1990 - 1995) |
| University | University of Hamburg |
| Degree | Pharmacist (1995), Apotheker (1996, Approbation) |
| Supervisor | Prof. Dr. D. Geffken |

3.) Scientific degrees

| | |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Habilitation thesis | Von der Synthese und Reaktivität 4-funktionalisierter Oxazolidin-2-one, Imidazolidin-2-one und anellierter 4-Hydroxyimino-oxazin-2-one zur Strukturmodifikation des Antibiotikums Fosmidomycin |
| Subject | Pharmaceutical Chemistry |
| University | University of Hamburg |
| Year of graduation | 2007 |
| Mentor | Prof. Dr. D. Geffken |
| Doctoral thesis | Fünfgliedrige heterocyclische Bindungssysteme aus funktionalisierten Malonsäureestern |
| Subject | Pharmaceutical Chemistry |
| University | University of Hamburg |
| Doctoral Degree | Dr. rer. nat. |
| Year of graduation | 1999 |
| Supervisor | Prof. Dr. D. Geffken |

4.) Academic appointments / positions held

| | |
|-----------------|-------------------------------------------------------------------------------------------------------------------|
| 2007 to present | Professor of Pharmaceutical and Medicinal Chemistry, Heinrich Heine University Düsseldorf, Düsseldorf, Germany |
| Since 2019 | Head of institute of PMC, HHU Düsseldorf |
| 2013 – 2015 | Head of institute of PMC, HHU Düsseldorf |
| 2007 - 2002 | Wissenschaftlicher Assistent (C1), University of Hamburg, Germany |
| 2002 - 2001 | BMBF-Postdoc, University of Hamburg, Germany |
| 2000 - 2000 | Postdoc, University of Florida, Gainesville, FL, USA Postdoc, Nippon Soda Co. Ltd, Alachua, FL, USA |

5.) Miscellaneous (academic, council, editorial and advisory activities and awards)

| | |
|-----------------|---------------------------------------------------------------------------|
| 2009 to present | Scientific Editor of "The Archive for Organic Chemistry" (Arkivoc) |
| 2009 to present | Member of the Arkivoc Control Board |
| 2010 to 2015 | Member of the Fakultätsrat of Heinrich Heine University Düsseldorf |
| 2014 | Phoenix Pharmazie Wissenschaftspreis für Pharmazeuti- sche Chemie 2014 |
| Since 2019 | Chairman of the Pharmacy Examination Committee |

6.) Hobbies

Scuba diving, skiing, tennis, swimming, travelling
